Arrival by car:

Risk of traffic jams: Hamburg is located at the main travel routes to the North Sea (Sylt), the Baltic Sea (Rügen), to Denmark and Scandinavia (ferry via Puttgarden). Traffic jams on the Autobahn are to be expected particularly at the beginning and end of school holidays. This is, in particular, true for crossings of the Elbe River. The Elbtunnel in Hamburg at the North-South connection A7/E45 is the chokepoint of the North and the reason for everyday traffic jams. Also, outside of holiday times, traffic jams must be expected on the Autobahn and in the city of Hamburg particularly in the mornings (7-9 a.m.) and in the afternoons (4-6 p.m.). Our site is located south of the Elbe River. If you are arriving from the South, the risk of getting into a traffic is rather low.

Autobahn A1 / E22 (Lübeck – Bremen):

Exit no. 37 '**HH-Stillhorn, HH-Wilhelmsburg**'. Drive via Stillhorer Weg and Kornweide in the direction Wilhelmsburg to the junction Georg-Wilhelm-Strasse (about 2 km). Turn right into Georg-Wilhelm-Strasse. After 200 m turn left into Pollhornweg which becomes Pollhorer Hauptdeich. Follow this street for about 1.5 km and then turn left at the Trettaustraße junction. The traveling time from the Autobahn exit is about 10 minutes.

Autobahn A7 / E45 (Flensburg – Hannover):

Exit no. 30 '**HH-Waltershof, HH-Finkenwerder, Hafen**'. Take the direction Wilhelmsburg, Hafen, Waltershof. Drive on the Finkenwerder Straße and pass customs (after about 1.5 km). Turn left at the junction to the Köhlbrand bridge. Drive over the Köhlbrand bridge and follow the street for approximately 4 km, then turn right into the Neuhöfer Damm where you will again pass customs. After 600 m turn left into Neuhöfer Straße, direction Wilhelmsburg. Drive over the Reiherstieg Bridge and after 500 m turn right into the Reiherstieg Hauptdeich. Follow the street, which will eventually become Bei der Wollkämmerei, for about 1.5 km and then turn right into Schmidtsbreite. After 800 m you will reach the Trettaustraße junction where you turn right. The traveling time from the Autobahn exit is about 15 minutes.

State road B4 / B75 „Wilhelmsburger Reichsstraße“ (Hamburg City – Hamburg Harburg):

Arriving from the North or South, take the exit **HH-Wilhelmsburg Süd**. Turn left into Kornweide. After 200 m, turn right into Georg-Wilhelm-Strasse. After another 200 m, turn left into Pollhornweg which will then become Pollhorer Hauptdeich. Follow this street for about 1.5 km and then turn left at the Trettaustraße junction. The traveling time from the Autobahn exit is about 5 minutes.
